1. I love you, I love you, I love you.
Numb not—rejoicing, dancing, provisioned, peace'd, protected—Ted, in Me—all—all provision—all peace, all protection that's protected—Me'd.

2. I love you: single, married, young, old-feeling; I love you little ones: ones who wonder, wonder, wonder. I love you. See not only words, feel My arms around you, My protection of you, My desire for your friendship increased. I love you, I love you. I love you.

3. I honor you this day and glorify your name, for honoring My name and glorifying what I am doing in the earth today and now and forevermore—arising My who-love-Me.

4. Powerful, powerful people come through your school that's My school—upper echelons of society-thought, humble before Me—become childlike enough to submit to My own teaching, My very own teaching of them, to them, of Me, for them to grow and mature and intimate be with Me and My body and forge new territories in power—My power, My authority, with joy and laughter and wisdom of Me, in Me. So empowered with Me—so much more powerful—visions unhindered, clarified, understood, unfolding—revealing My design upon the layers of their fabric—designed into them and awaiting freedom, awaiting to be freed, stated, spoken, released—stallionized—to run and roam and play and enjoy their strength in Me.

5. Oh glories of glories. Oh joy of joys. Oh magnanimous things of My fingers and toes and hands and heart now come forth into delivery systems of Me and My making—My molecular structures which represent parts of Me so well—My making, My making, My making.

6. I love you. To your meeting go and enjoy her, Mary Lu, My chosen, who's chosen Me.

7. I guide and direct, protect, peace and provision and promote My promotable this day—all—through you and through every person who will transmit Me—unashamedly, powerfully, non-timidly—with great wisdom, joy, and skill.

8. I love you. Thank you for yesterday.
9. I rejoice—dance, dance with Me.
Let us dance together forevermore.
I thank you. I thank you. I thank you.

I love you.

Me.
